

Trees

6. *Adenanthera pavonina*
Mimosaceae
Manchadi.

7. *Alstonia scholaris*
Apocynaceae
Ezhilampala

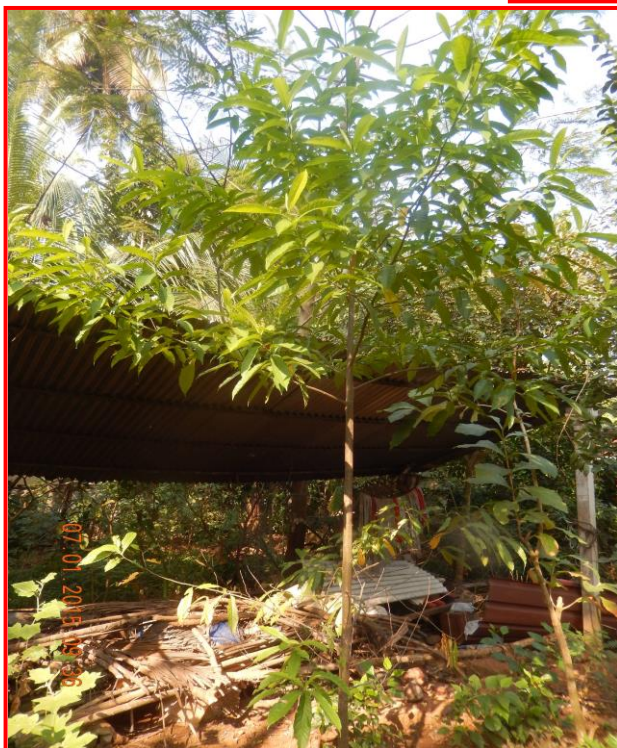

8. *Calophyllum calaba*
Clusiaceae --IUCN Red list
Cheupunna..fruit edible

Trees

9. *Calophyllum inophyllum*
Punna

10. *Corypha umbraculifera*.
Arecaceae
Kudappana

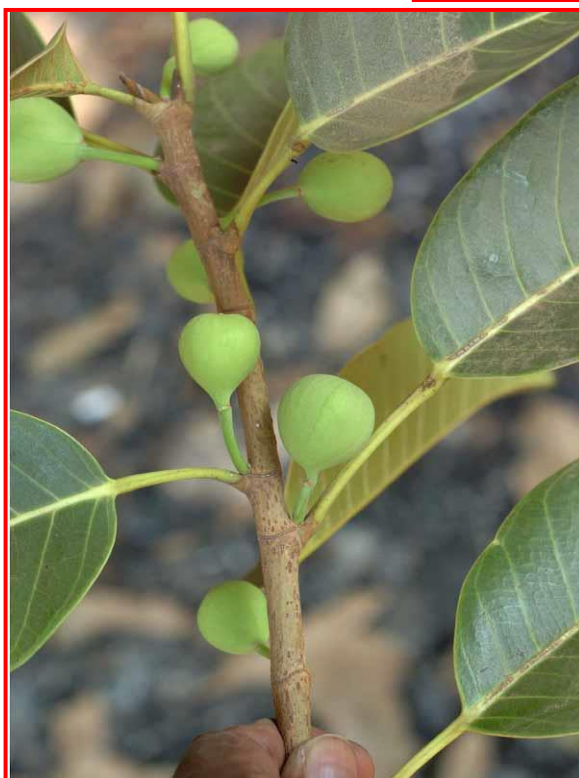

11. *Elaeocarpus sphericus*
Elaeocarpaceae-
Rudraksham

Trees

12. Ficus amplissima
Moraceae-
Chela

13. Ficus benghalensis
Peral

14. Ficus callosa
Kallal

Trees

15. Ficus racemosa

16. Ficus religiosa

17. Ficus virens

Trees

18. *Ficus tsjahela*

19. *Flacourtia Montana*
Flacourtaeae
Kattuluika

20. *Hopea ponga*
Dipterocarpaceae

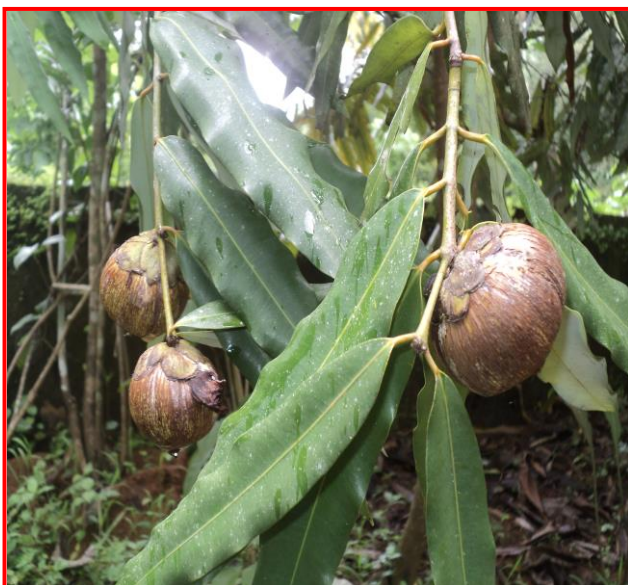

Trees

21. *Hydnocarpus pentandra*
Flacoutiaceae

22. *Mangifera indica*

23. *Mesua thwaitesii*
Calophyllaceae- Srilankan origin
High medicinal value

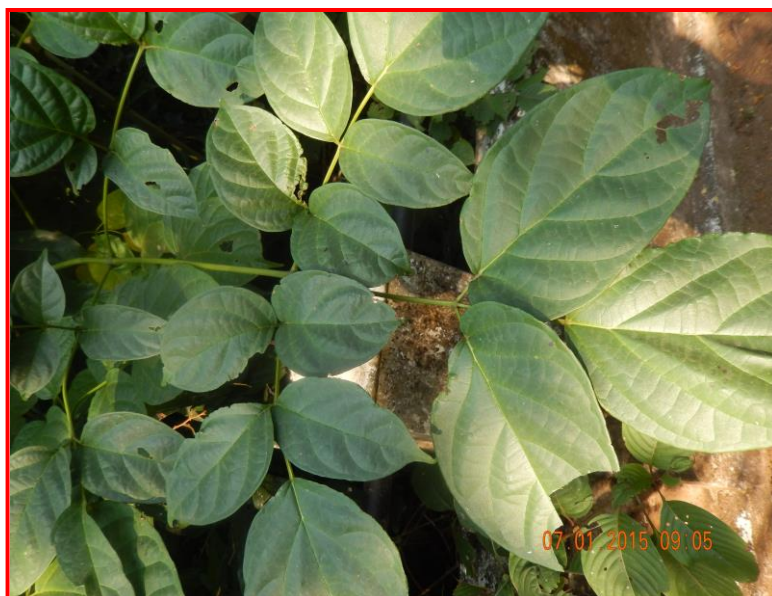

24. *Euodia lanuakenda*
Rutaceae-Kattu chembakom
Red list-Endangered

Trees

25. *Miliusa tomentosa*
Kanakaittha, Annonaceae

26. *Olea dioica*
Oleaceae
Edana

27. *Oroxylum indicum*
Bignoniaceae
Palakapayyani-
Medicinal

Trees

28. *Pterospermum reticulatum*-Flowers.
Malayuram
IUCN-rare ,threatened.
Bark-medicinal

29. *Pterospermum reticulatum*
Sterculiaceae

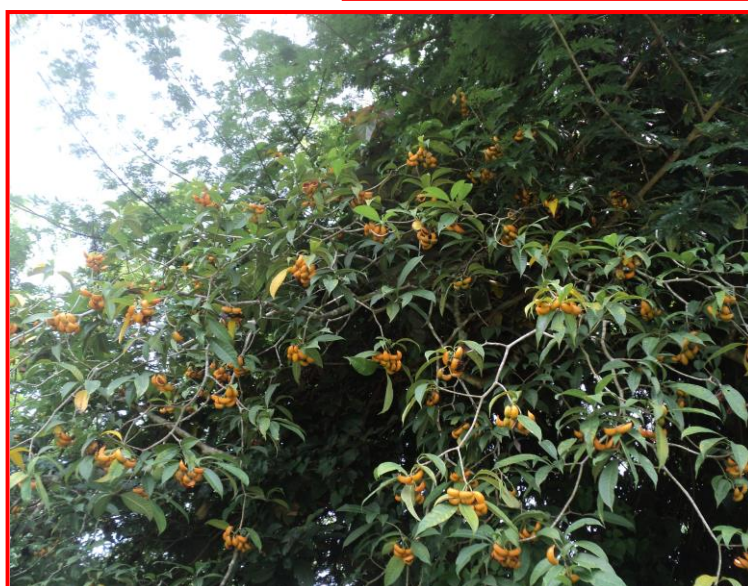

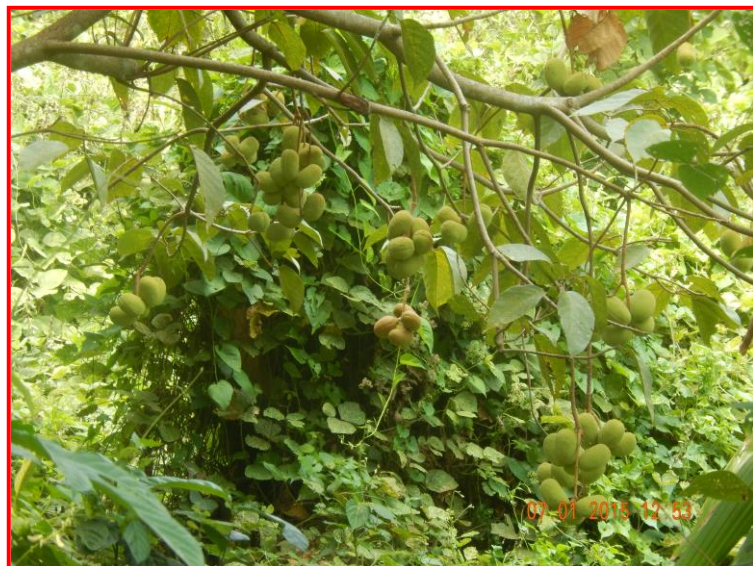

30. *Putrjiva roxburghii*
Euphorbiaceae-\
Erathi-Medicinal
Female infertility

31. *Schleichera oleosa*
Sapindaceae

32. *Sterculia guttata*
Sterculiaceae
Pottakavalam

33. *Tabernaemontana*
heyneana
Apocynaceae
Near threatened
Kundalapala-medicinal

Climbers

*45. Anodendron
paniculatum*
Apocynaceae
Kakkakodi

46. Capparis zeylanica
Capparidaceae
Root & bark medicinal

47. Capparis zeylanica
flowers

Climbers

48. *Cissus heyneana*
Vitaceae

49. *Derris scandens*
Combrtacea-
Poonjaly
Pathiyarkulangara SG

50. *Bauhinia scandens*
Snake like climber.

Climbers

51. *Hiptage bengalensis*
F-Malpighiaceae
Leaves & bark- Medicinal
Skin /leprosy

52. *Hiptage* flowers with
unequal wings

53. *Sarcostigma kleinii*
Icacinaceae-Vellodal

Climbers

54. *Dalbergia horrida*
Anamullu

55. *Mucuna prurions*
Naykurana
Fabaceae

56. *Narvella zeylanica*
